

Community Update

Jan. 23, 2025

A few community updates and reminders.

NEW DOG PARK

We are moving the dog park to a new location on the opposite end of the park. Why? Drainage issues led to costly maintenance. Our new location makes it easier and cheaper to maintain this amenity. We used funds allocated for maintenance to make the move, which begins this Saturday, Jan. 25.

GATE REPAIR

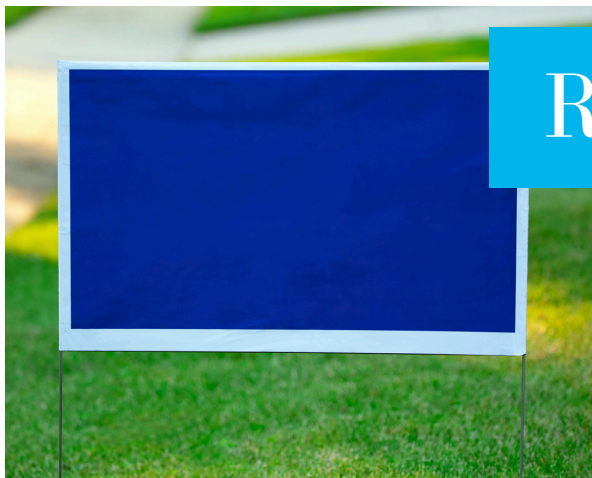

Our contractor will be out to conduct maintenance, and repair the exit gate arm and damaged gate bars.

TRASH UPDATE

Due to weather, trash will be picked up on Friday. Do NOT leave bins out overnight.

A few community updates and reminders.

RULE REMINDER

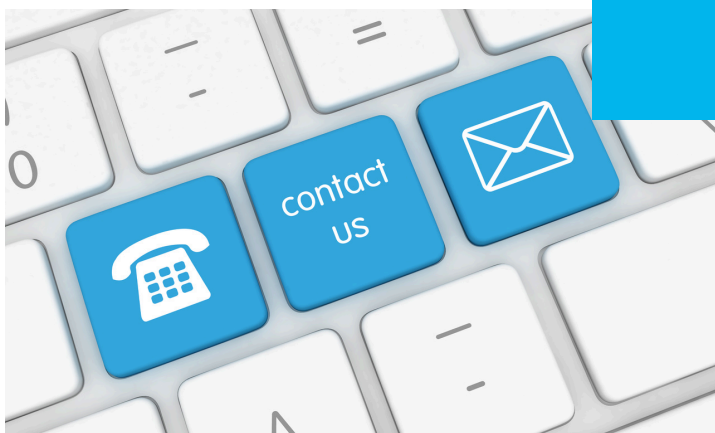

Our rules and regulations prohibit political signs in yards. Please make sure your yard is free of political signs.

PARKING

Please be good neighbors. On-street parking is for **guests**. When you park on the street, you limit available spaces. Owners, please use your driveway and garage. Also, do not block mailboxes or trash bins.

CONTACT HMS

Our new management company has been very supportive when there's an issue. Please save their contact info. Facebook is NOT an official channel for reporting issues.
